

# Kemikal Girl (Live At KEXP)

## Flunk

Choosing  
Losing  
Finding my way through the rain  
Losing  
Choosing  
All of my thoughts go insane Choosing  
Losing  
Finding my way through the rain  
Losing  
Choosing  
All of my thoughts go insane And I can't go  
Where I want to  
And I can't go  
Where I want to Choosing  
Losing  
Finding my way through the rain  
Losing  
Choosing  
All of my thoughts go insane Finding my way through this lonely place  
It's just a rainy daze  
Finding my way through this lonely days  
It's such a rainy place And I can't go  
Where I want to  
And I can't go  
Where I want to Who would dare to bring me love  
Who would dare to bring me love  
Who would dare to bring me love  
Who would dare to bring me love
