

# I Heard the Jukebox Playing

Kitty Wells

You said that you'd be happy  
With a baby on your knee  
But here I sat with him in my arms  
An' you're slippin' around on me You thought that you were being wise  
When you called me on the phone  
An' you said that you had been delayed  
But you'd soon be comin' home I knew that you'd been cheatin'  
'Cause you stayed away so long  
And I heard the jukebox playing  
When you called me on the phone That couldn't have been the radio  
'Cause it had that honky tonk sound  
An' the same old song kept comin' an' a goin'  
And the beat kept shufflin' around When I heard the people laughing  
I knew there must be somethin' wrong  
For it was much too late to be delayed  
For I could see the break of dawn I knew that you'd been cheatin'  
'Cause you stayed away so long  
And I heard the jukebox playing  
When you called me on the phone
