

Wake Up, Open The Door, And Escape To The Sea

Blaqk Audio

Please catch me now, I'm lying
You taught me how, how it can feel like love
Just catch your breath we'll dive in and our descent
Will somehow feel like life goes on
My, my, you're oh so sly
Let's leave unsaid what's left unspoken
Please hold me now, I'm freezing
God tell me how we ever got this cold
But oh, my, my, you're oh so sly
Let's leave unsaid what's left unspoken
And oh, my boy, you're oh so coy
Let's just pretend that nothing's broken
We'll censor the ending for me, for you
But oh, my, my, you're oh so sly
Let's leave unsaid what's left unspoken
And oh, my boy, you're oh so coy
Let's just pretend that nothing's broken
And oh, my, my, you're oh so sly
Let's leave unsaid what's left unspoken
And oh, my boy, you're oh so coy
Let's just pretend that nothing's broken
