Crown

JINCO & SVNAH

[Verse 1]

How did I ever think that you could change,

That you'd arrange yourself the way I needed you,

To compromise the life you loved, that made me cry,

You're estranged,

You're the same,

You'll never change,

And I am walking away,

Don't chase me now, I'm taking my crown,

I'm living the life that you never let go,

Actually thought that you could bring me down.

[Sweet Bass Drop]

And I'm taking back my crown,

I'm taking back my crown,

I'm taking back my... crown,

[Bass Drop Cooldown]

Don't chase me now, I'm taking my crown,

I'm living the life that you never let go.

[Verse 2]

The beating of my heart,

The beating of my heart,

The beating of my heart,

Goes run, run, run, run,

(Repeat 3x)

Goes run, run, run, run,

Run, run, run, run,

Actually thought that you could bring me down,

[2nd Bass Drop]
