

# Stop Truckin' and Suzi-Q

## Tampa Red

So now we got something new  
It's a dance anyone can do  
Grandmama and grandpa too  
Stop truckin' and Suzi-Q In Holland, in Paris too  
Everybody knows what to do  
So simple and famous too  
Stop truckin' and Suzi-Q The young and gay  
The old and gray  
Night and day  
Everybody doing it, hey, hey, hey Get busy and learn it too  
I'll show you just how to do  
I know you're gonna love it  
Stop truckin' and Suzi-Q So now we got something new  
It's a dance anyone can do  
Grandmammy and grandpa too  
Stop truckin' and Suzi-Q In Holland, in Paris too  
Everybody knows what to do  
So simple and famous too  
Stop truckin' and Suzi-Q , get out of here
