God Save The South

Nazareth

It was a red hot night night in mobile
Sweat glistened on the reverend's chin
His mohair suit was shinin'He told us all about sinIt could be wall to wall in wall street
We could be livin' hand to mouth
Jesus loved a yankee
But God saved the southAcross the street in the pool hall
Bubba put the eight ball down
It's a high five celebration
They passed the jack aroundIt's wall to wall in wall street
We're livin' hand to mouth
Jesus loved a yankee
But God saved the southGod saved the south
Yankee boy shut your mouth
Yes, God saved the south
Yankee boy shut your mouth
Shut your mouthSome long haired boys with guitars
Playin' behind the chicken wire
They're goin' up to new york city
Gonna sing about atlanta's fireIt could be wall to wall in wall street
We could be livin' hand to mouth
Jesus loved a yankee
But God saved the southAnd God saved the south
Yankee boy shut your mouth
Yes, God saved the south
Yankee boy shut your mouthYes, God saved the south
Yankee boy shut your mouth
And God saved the south
So,yankee boy shut your mouthAnd God saved the south
Yankee boy shut your mouth
Yes, God saved the south
So, yankee boy shut your mouthGod saved the south
So, yankee boy shut your mouth
