

Words (Re-Recorded / Remastered)

Missing Persons

Do you hear me

Do you care

Do you hear me

Do you care My lips are moving and the sound's coming out

The words are audible but I have my doubts

That you realize what has been said

You look at me as if you're in a daze

It's like the feeling at the end of the page

When you realize you don't know what you just read What are words for when no one listens anymore

What are words for when no one listens

What are words for when no one listens it's no use talkin at all I might as well go up and talk to a wall

'cause all the words are having no effect at all

It's a funny thing am I all alone Something has to happen to change the direction

What little filters through is giving you the wrong impression

It's a sorry state I say to myself What are words for when no one listens anymore

What are words for when no one listens

What are words for when no one listens it's no use talkin at all Do you hear me

Do you care

Do you hear me

Do you care Let me get by

Over your dead body

Hope to see you soon

When will I know

Doors three feet wide with no locks open

Walking always backwards in the faces of strangers

Time could be my friend

But it's less than nowhere now

Less than nowhere now

Less than nowhere now

Now

Ow ow ow Pursue it further and another thing you'll find

Not only are they deaf and dumb they could be going blind and no one notices

I think I'll dye my hair blue Media overload bombarding you with action

It's getting near impossible to cause distraction

Someone answer me before I pull out the plug What are words for when no one listens anymore

What are words for when no one listens

What are words for when no one listens it's no use talkin at all What are words for when no one listens anymore

What are words for when no one listens

What are words for when no one listens it's no use talkin at all Do you hear me

Do you care
Do you hear me
Do you care
Tell me what are words for
Do you hear me
Tell me what are words for
Do you care
Tell me what are words for
Do you hear me
So tell me what are words for
Do you care
So tell me what are words for
Do you hear me
Tell me what are words for
So tell me what are words for
Do you care
So tell me what are words for
Do you hear me
Tell me what are words for
So tell me what are words for
Do you care
So tell me what are words for
