

Stayed Awake All Night

Krokus

In the cool cool cool of the mornin'
That's when I'm comin' home
In the cool cool cool of the mornin'
That's when I'm comin' home Stayed awake all night
(Stayed awake all night)
Stayed awake all night night long
(Stayed awake all night)
Stayed awake all night
(Stayed awake all night)
Stayed awake all night night long
(Stayed awake all night) Stayed awake all night
(Stayed awake all night)
Stayed awake all night
(Stayed awake all night)
Stayed awake all night
(Stayed awake all night)
Stayed awake all night
(Stayed awake all night)
Stayed awake all night
(Stayed awake all night) In the cool cool cool of the evenin'
I'm hitched up and ready to ride
In the cool cool cool of the evenin'
I'm hitched up and ready to ride Gonna truck all night
