

# Another Thin Line

[Alexz Johnson](#)

I'm getting up know  
the sun is burning my eyes and I ache  
I'm living on a freeway, running low on hiding good mistakes  
I'm taking it to..living,just living all the lives I have to live  
I'm playing off this feeling knowing that its time to be forgivenIf I could only come around  
I'm looking in the black stop and turn around  
can't get this off my back am I outta mind  
faking whats inside of me(uh uh oh yea)Its like I'm walking on another thin line  
where the fools keep on thinking I'm blind  
I'm waiting for the day(oh yeah)I'm wide awake now its getting dark and I can't see my way  
I'm living through the game now, by watching every word that I might sayAnd now I've gotta come around  
I'm falling through the cracks stop and turn around  
can't get this off my back am I outta my mind for faking whats inside of meIt's like I'm walking on another thin  
line  
where the fools keep on thinking I'm blind  
I'm waiting for the day  
No, no, no I'm in the middle of a crime  
taking left whats mine...As I fade away...  
with everything I amwith all I'd have to stand...I'm not going to fade  
dragon tears and cover song and I've dome nothig wrong  
I just don't belong  
DA DA DA DA DA DA DAIts like I'm walking on another thin line  
where the fools keep on thinking I'm blind  
I'm waiting for the day...(oooh)  
I'm in the middle of a crime...taking left whats mine  
as I fade away
