Haven't Got Time for the Pain

Carly Simon

(carly simon/jacob brackman)All those crazy nights when I cried myself to sleep Now melodrama never makes me weep anymore

'cause I haven't got time for the pain

I haven't got room for the pain

I haven't the need for the pain

Not since I've known youYou showed me how, how to leave myself behind

How to turn down the noise in my mind

Now I haven't got time for the pain

I haven't got room for the pain

I haven't the need for the pain

Not since I've known youSuffering was the only thing that made me feel I was alive

Though that's just how much it cost to survive in this world

'til you showed me how, how to fill my heart with love

How to open up and drink in all that white light

Pouring down from the heaven

I haven't got time for the pain

I haven't got room for the pain

I haven't the need for the pain

Not since I've known you
