

You Can't Kill Rock and Roll

Ozzy Osbourne

How many times can they fill me with lies and I listen, again
Twisting the truth and they're playin' around with my head O.K.
The things they will do and the things they will say
When they don't really understand
Tears fill my eyes when I hear all the cries
For the reason today.

And they don't really know even what they're talkin' about
And I can't imagine what empty heads can achieve.
Leave me alone don't want your promises no more
'Cause rock'n'roll is my religion and my law
Won't ever change, they think it's strange
You can't kill rock'n'roll it's here to stay.

Looking through eyes of time mirrors reflecting their stories untrue
Promises promises, telling me all of my glories overdue.
How many times have I heard it before
And I'll probably hear it again
King of a thousand knights, pawn in a table fight
Losing to you.

And they don't really know even what they're talkin' about
And I can't imagine what empty heads can achieve.
Leave me alone don't want your promises no more
'Cause rock'n'roll is my religion and my law
Won't ever change, they think it's strange
You can't kill rock'n'roll it's here to stay.

Even the rhymes that they give me in times of confession ain't true
Outcome is obvious all for them none for us meaning you too.
The things they will do and the things they will say
When they don't really understand.
Fear of rejection I need their protection
I'm making a stand.

And they don't really know even what they're talkin' about
And I can't imagine what empty heads can achieve.
Leave me alone don't want your promises no more
'Cause rock'n'roll is my religion and my law
Won't ever change, they think it's strange
You can't kill rock'n'roll it's here to stay.
Leave me alone don't want your promises no more
'Cause rock'n'roll is my religion and my law
Won't ever change, they think it's strange

I was born to rock and roll, I'm here to stay.
