

# One, Two (feat. Yung L & M.I)

## Ric Hassani

Ah yeah yeah

Yah yah

Mmmmm

Oh lord oh lord

Yeah yeah

One two one two

I come through they one to lose control

Cause am the brand new flex

So the want to score my goal

Think they know but they don't know

The shit that I've been through

So they wanna hate wanna contemplate

How i make this move

Simma who gat the keys to ma bimaa

Who gat the keys

Jehovah gat the keys

Get the keys keys keys so you can't stop me

Oya wine for the base line

Get down no no the waste time(Ehh ehh)

Wanna see go with the best wine(Aboy)

Demma chill on stage and test on microphone like(Them fit know say)

Mic check One two one two(Auad ra ban ban bang)

Mic check one two(Ehh ehh ehhh)

Mic check one two one two one two(Ouuuh)(one two)

Mic check

One two one two(One two)

One two one two(One two one two one two)

Mic check one two one two

One two one two(Ehh ehh ehhh)

Yeah yeah

Microphone gangster

Ehis kebe ehis kaba

Hot skull come coming through with ah new fire

Dem go range feeling like am real shabba

Them fi know

Microphone gangster

Ehis kebe ehis kaba

Hot skull come coming through with ah new fire

Dem go range feeling like am real shabba

Demma feel badder

Who wan test the boy identify

Say we do this things from nine to five

Them de looku my way they can't deny

They want fight agbero with suite and tie

Say we glorious(Ehhhh)

And we do it so notorious(So notorious)

My style so glorious

Come my brother no the hate on us(No de hate on us)

Say

Mic check one two one two(Ehh eh hh eh hh)

Mic check one two(Wan me says)

Mic check one two one two one two(Ouuuu)

Mic check(Na na na)

One two one two(Mr Marley on deck)

One two one two(Ric Hassani)

Mic check one two one two(Quad ra ban bang)

One two one two(They call me M.I)

Yeah yeah

Ric hassani Youn gl mi they like boga(Ah)

Who gone save us from this hot record the manner wicked(Wicked)

Alaba sef hear this record and they open market(Open)

When everybody sleeping we working we be like cricket(Ding)

We on a whole another whole new level(Level)

We not regular(Eh) you feeling the vibe inside your medullar(Ah)

Take the beat and then break it down until its molecular

Particles(Yo) articles written about the way i killing but I(Killing)

Never see anyone with such a pretty figure(Figure)

The way you wine it on a nigga

Aswear the botty's getting bigger(Bigger)

I don't care if you a gold digger

If you want it I'll give you  
You're more intoxicating than liquor, so lets get familiar(Fille)

Baby i been confuse when i see you for road(Road)  
Look at that ass i got to help but carry the load(Load)  
Let me drop you off and call you another day(Another day)  
I can't help but start counting when you walk away like baby girl

One two one two(One two one two)  
Mic check one two(One)  
Mic check one two one two(One two oh nooo)

Mic check one two one two(One two)  
One two one two(One two one two one two)  
Mic check one two one two(Ehhh eh)  
One two one two  
Yeah yeah
