## Tinsley Ellis

Ten cents a dance  
It's the only price to pay  
Why give 'em more  
When it's only love for sale?

Adam and Eve  
It's the oldest game in town  
Just a one way street  
To a faded magazine

Kiss and tell  
Money talks it never lies  
Kiss and tell  
Give and take eye for an eye

Fever the heat of the night  
Dreamer stealer of sighs  
One public face  
In a private limousine

Flash photograph  
It's the only light you see  
No secret life  
There's no secret you can steel

Your lips are moving  
But I will never know  
What they mean  
Kiss and tell

Money talks and love it burns  
Kiss and tell  
Give and take we live and learn  
Kiss and tell

We never lie  
Eye foe an eye  
Blood on a nail  
Kiss me again
