

# Time After Time

Jessica Mauboy

See sometimes you picture me I'm walking too far ahead  
You're calling to me, I can't hear what you say  
Then you say go slow and I fall behind  
The second hand unwinds If you're lost, you can look and you will find me  
Time after time  
If you fall, I will catch you, I'll be waiting  
Time after time If you're lost, you can look and you will find me, yeah  
Time after time  
If you fall, I will catch you, I will be waiting  
Time after time After time, after time, after time  
After time, after time, after time After my picture fades and darkness has turned to gray  
Watching through windows, you're wondering if I'm okay  
Secrets stolen from deep inside  
The drum beats out of time If you're lost you can look and you will find me  
Time after time  
If you fall, I will catch you, I'll be waiting  
Time after time If you're lost, you can look and you will find me, yeah  
Time after time  
If you fall, I will catch you, I will be waiting  
Time after time Time after time, after time  
After time, after time, after time Then you say go slow, I fall behind  
The second hand unwinds If you're lost, you can look and you will find me  
Time after time  
If you fall, I will catch you, I'll be waiting  
Time after time If you're lost, you can look and you will find me, yeah  
Time after time  
If you fall, I will catch you, I will be waiting  
Time after time Time after time  
Time after time, after time  
After time, after time, after time  
After time, after time, after time  
After time, after time
