

Here Comes the Sun (Live In Belfast, 2001)

Belle and Sebastian

Here comes the sun
Here comes the sun
And I say it's all right Little darling
It's been a long, cold lonely winter
Little darling
It feels like years since it's been here Here comes the sun
Here comes the sun
And I say it's all right Little darling
The smiles returning to the faces
Little darling
It seems like years since it's been here Here comes the sun
Here comes the sun
And I say it's all right Sun, sun, sun, here it comes
Sun, sun, sun, here it comes
Sun, sun, sun, here it comes
Sun, sun, sun, here it comes
Sun, sun, sun, here it comes Little darling
I feel that ice is slowly melting
Little darling
It seems like years since it's been clear Here comes the sun
Here comes the sun
And I say it's all right Here comes the sun
Here comes the sun
It's all right, it's all right
