

# Stop

## Jimmy Eat World

Don't have to be the prettiest  
If you have the mind, the willingness  
There's no one stops,  
A girl who knows what she's got.  
No reason why  
I can't help following with my eyes  
Even at my best,  
I guess I'm still just one of them.  
I see it all in my head.  
Cool hands on your steps  
You wanna make me mad?  
Stop 'cause I am.  
You can call this a game.  
You can look at my face.  
You wanna hurt me baby?  
Stop 'cause you have.  
Combination of strong and lust  
How easily you turn, and turn it off  
Do you take what you want  
And save it for a better time?  
Don't act that way  
Honey I don't buy it at all  
If you're really as tough as your defenses

Let them fall  
I see it all in my head.  
Cool hands on your steps  
You wanna make me mad?  
Stop 'cause I am.  
You can call this a game.  
You can look at my face.  
You wanna hurt me baby?  
Stop 'cause you have.  
Ahhh...

I see it all in my head.  
Cool hands on your steps  
You wanna make me mad?  
Stop 'cause I am.  
You can call this a game.

You can look at my face.  
You wanna hurt me baby?  
Stop 'cause you have.  
You wanna make me mad?  
Stop 'cause I am.  
You wanna hurt me baby?  
Stop 'cause you have.
