

# Don't Take My Heart And Put It On A Shelf

## Jonas Brothers

She's such a flirt  
And I am the lonely heart  
Give it a chance  
For our love to start  
Cause you'll never see  
If you don't give me a shot  
To show you what I got[CHORUS:]  
But it's too late to pretend  
You know me better than I know myself  
Don't take my heart and put it on a shelf  
Always someone else  
The next guy who will  
Make your cold heart melt  
I'm gonna give my love to someone else I held your hand  
It felt like a movie  
I made some plans  
But you were already moving on  
Now I'm stuck under a rainy cloud  
But you don't seem to care  
But it's all I can take[CHORUS]  
But it's too late to pretend  
You know me better than I know myself  
Don't take my heart and put it on a shelf  
Always someone else  
The next guy who will  
Make your cold heart melt  
I'm gonna give my love to someone else I'm tired of wasting all my time  
My heart is hanging on the line  
Is it me, girl, or someone else?  
Don't leave it on the shelf It's too late to pretend  
You know me better than I know myself  
Don't take my heart and put it on a shelf Baby, see?  
How much it hurts to be alone like me?  
So go ahead and put your heart on a shelf La la la la la  
La la la la la Always someone else  
The next guy  
Who will make your cold heart melt  
I'm gonna give my love to someone else yeah
