

# Heaven's Reward

**Daniel Thornton**

So many things in this world just don't matter  
So many words are just spoken in vain  
I choose to live with my eyes fixed on Jesus  
Bringing glory to Your name I'm living for heaven's reward  
I'm laying up treasure in heaven forever  
I'm living to hear my Lord say  
Well done my good and faithful servant  
I'm living my life for heaven's reward I wanna change this world that I live in  
I wanna be all You've called me to be  
I wanna shine as a light in the darkness  
Showing the way to be free Make me fruitful  
Make me fruitful  
Make me fruitful  
Bearing fruit that remains
