## White Zombie

How big is life?  
Can it ride like the butterfly?  
Star in the dust  
Rocketman  
Supersky  
Sugar the hill  
Explode and never die  
I think I will Come on take it! High  
I gotta, O yeah! So high  
I gotta, O yeah! Come on! So loosely illustrated  
A trick of light I demonstrated right to you what you do! How high is up?  
Can it reach at the butterfly?  
Rise in the howl hit me cold Supersky  
Witness the kill explode! Never die  
I think I will  
Come on take it! High  
I gotta, O yeah! So high  
I gotta, O yeah! Come on! So loosely illustrated  
A trick of light I demonstrated right to you What you do! Yeah!  
Deaf to the ear  
Fat city sang  
Bloody Ma growls "Concentrate the bang"  
Broadway do  
The winter kills  
Astro Creepin' you until  
Overcome the devil  
Deluxe the game  
One, sweep, spun "I got no name", a paper thin cut  
On the edge of hell  
Wrestle with heaven but I never fell  
Sink to a level realize no direction  
West of the moon  
I got no reflection  
Blood on the stone I do not surrender  
Waitin' for someone I do not remember  
Yeah! I gotta, O yeah! Come on! So high  
I gotta, O yeah! Come on! So loosely illustrated  
A trick of light I demonstrated right to you  
What you do

Cosmic monsters waited  
Turn around incorporated
