

# Under Your Spell (Duderstadt Radio Edit)

## Cosmic Gate

Counting out the hours  
Like the beat of a song  
I feel like a stranger  
Wondering where I belong  
I wanna start all over  
But I know that I can't  
I'm helpless without you  
I don't know who I am I'm under your spell  
Bound and blind and only you can save me  
I'm tangled up inside  
Caught in your web  
I'm hypnotized and only you can wake me  
Only you can bring this heart to life Colors feel so faded  
And I can't hear a sound  
I'm walking in circles  
Watching my world burn down  
There's nothing else to fight for  
'Cause you're all that I know  
I'm stuck in your shadow  
Letting you take control I'm under your spell  
Bound and blind and only you can save me  
I'm tangled up inside  
Caught in your web  
I'm hypnotized and only you can wake me  
Only you can bring this heart to life So pull me in and don't let go  
I wanna fall forever  
I wanna overflow  
If there's some way out, don't let me know  
I don't wanna come to  
It's too big to undo  
I need to be near you  
I can't keep away  
Under your spell  
I'm under your spell I'm under your spell  
Bound and blind and only you can save me  
I'm tangled up inside  
Caught in your web  
I'm hypnotized and only you can wake me

Only you can bring this heart to life
