Anthem

Tree63

I love You
I love You, Lord
There's nothing above You, Lord
I am not my own I am not alone
I am waiting on You Lord
And this is my desire to go deeper into YouFather, father me
Jesus You're all I see
I am not my own
And I am not alone
I am waiting on You Lord
And this is my desire to go deeper into YouI am always in Your heart
I am always in Your heart
