

# Anthem

## Tree63

I love You  
I love You, Lord  
There's nothing above You, Lord  
I am not my own I am not alone  
I am waiting on You Lord  
And this is my desire to go deeper into You Father, father me  
Jesus You're all I see  
I am not my own  
And I am not alone  
I am waiting on You Lord  
And this is my desire to go deeper into You I am always in Your heart  
I am always in Your heart
