## The Clash

Down the road came a Junco Partner  
For he was loaded as can be  
He was knocked out, knocked out loaded  
He was a 'wobblin' all over the street Singing six  
Six Well, I would have me a great deal of money  
Yeah and a-mighty Give me Junco Down  
Down  
Junco Partner Well, I'm down  
[Incomprehensible]  
Down the road
