

# Ayo Technology (Milow cover version)

## Milow

She work it girl, she work the pole  
She break it down, she take it low  
She fine as hell, she about the dough  
She doing her thing out on the floor  
Her money money, she makin' makin'  
Got the way she shakin'  
Make you want to touch it, make you want to taste it  
Have you lustin' for her,  
Go crazy face itShe's so much more than you're used to  
She know's just how to move to seduce you  
She gone do the right thing and touch the right spot  
Dance in you're lap till you're ready to popShe always ready, when you want it she want it  
Like a nympho, the info  
I show you where to meet her  
On the late night, till daylight the club jumpin'  
If you want a good time, she gone give you what you wantBaby It's a new age,  
You like my new craze  
Let's get together  
Maybe we can start a new phase  
The smokes got the club all hazy,  
Spotlights don't do you justice baby  
Why don't you come over here,  
You got me sayingAayooh  
I'm tired of using technology,  
Why don't you sit down on top of me  
Aayooh  
I'm tired of using technology  
I need you right in front-- of meIn her fantasy, there's plain to see  
Just how it be, on me, backstrokin',  
Sweat soaking  
All into my set sheets  
When she ready to ride, I'm ready to roll  
I'll be in this bitch till the club close  
What should I do, on all fours  
Now that that shit should be against the law  
Different style, different move,  
Damn I like the way you move  
Girl you got me thinking about,  
All the things I'd do to you

Let's get it poppin' shorty  
We can switch positions  
From the couch to the counters in my kitchenBaby It's a new age,  
You like my new craze  
Let's get together  
Maybe we can start a new phase  
The smokes got the club all hazy,  
Spotlights don't do you justice baby  
Why don't you come over here, you got me sayingAayoooh  
I'm tired of using technology,  
Why don't you sit down on top of me  
Aayoooh  
I'm tired of using technology  
I need you right in front of me  
Ooh she wants it, Ooh she wants it  
Hmm she wants it, I got to give it to her  
She wants it, Hmm she wants it  
Hmm she wants it, I got to give it to her  
I got to give it to herBaby It's a new age,  
You like my new craze  
Let's get together  
Maybe we can start a new phase  
The smokes got the club all hazy,  
Spotlights don't do you justice baby  
Why don't you come over here, you got me sayingAayoooh  
I'm tired of using technology  
Why don't you sit down on top of me  
Aayoooh  
I'm tired of using technology  
I need you right in front of me
