Slow Dance

Framing Hanley

Pardon my for saying I was afraid
She'd never give me the time of day
If love is a slow dance
I just hope for one chance.

I hope time could stop
It's hard for me to breath
She's really walking over here to me
What should I say?
What should I do?

No,don't let this end now
Slow this dance down
I could stay here all night
Forever.

This is not my strongest point,that she knows
She pardons me for stepping on her toes
I've heard she's a pageant queen
So what's she doing dancing with me?

I hopetime could stop
It's hard for me to breathe
She's really falling in love with me
What should I say?
What should I do?

No,don't let this end now
Slow this dance down
I could stay here all night
Forever.
Forever.

Dance with me forever
Teach me every step
Every dip and every turn
Your arms around my neck
You make me want to learn.
I'm only getting better.

Don't let this end now
Slow this dance down
I could stay here all night
Forever.
Don't let this end now
Slow this dance down.

Don't let this end now
Don't let this end now
Slow dance
A slow dance.
