

Fix Me Up

Girls Aloud

Oh, sex me up
Cause I'm feeling like I want you
Oh, baby, come sex me up
Cause I'm feeling like I want you
Oh, sex me up (oh oh)
Cause I'm feeling like I want you (duh)
Oh, baby, come sex me up (oh oh)
Cause I'm feeling like I want you (duh) A change gon' come
Whether it in the morning
Night or noon or evening
Yo baby babe
And I know fun, fun
I stand up and re-reeling
But a change sure gonn' come All night (oh oh)
Getting heated (aggravated)
All night (oh oh)
Sending sweeties, just can't eat it
Oh, no (oh oh)
Didn't mean it (Dip in now)
So long (oh oh)
This energy goes on and on [Chorus]
Yo, baby, fix me up
In the middle of the morning evening
Oh, baby, fix me up
You gotta heal me, all my sexual healing
Oh, fix me up (woo!)
Gotta give me some rubbing down and all of my squeezing
Oh, baby, fix me up (ooh!)
I want my healing (ooh ooh!) I've got the bug
Feverish in the morning
Night and noon and evening
Yo, baby babe
Come give me all
The medicine I'm needing
Gonna sure cure this bug All night (oh oh)
Getting heated (aggravated)
All night (oh oh)
Sending sweeties, just can't eat it
Oh, no (oh oh)

Didn't mean it (Dip in now)
So long (oh oh)
This energy goes on and on[Chorus]Oh, sex me up
Cause I'm feeling like I want you
Oh, baby, come sex me up
Cause I'm feeling like I want you
Oh, sex me up
Cause I'm feeling like I want you
Oh, baby, come sex me up
Cause I'm feeling like I want youOh, baby, baby, zip the chain
Nobody's gonna stake the claim
Nobody's gonna pop the lock
Oh, baby, baby, hit the light
You gotta hit the spot
Oh, baby, baby, zip the chain
Nobody's gonna stake the claim
Nobody's gonna pop the lock
Oh, baby, baby, hit the light
You gotta hit the spotDon't hit my what
Come hit my spot
Don't pop the lock
Don't hit my what
Come like my spot
Let me give it to ya
Break it down, Mr. Shock
Hit the lock
Don't hit my what
Come hit my spot
Don't pop the lock
Don't hit my what
Come like my spot
Let me give it to ya
Break it down, Mr. Shock[Chorus]Ooh, ooh
Ooh, ooh
Ooh, ooh
