

Love Song

[Matt Palmer](#)

I know the love aint easy, its impossible for me
And the long that Im without it, the harder it is to believe.
They say, dont take it personally, but its personal to me.
cause what I hear is you dont love me or the person I could be.
So here I sit all alone, playing chords I wont remember
When I wake up in the morning, when I try to make it better
But Im too blind, its my fault, guess Im doing something wrong, cause Im alone.
Singing this same sad love song on my own.

On my own.

Guess I seem better in my own head that I do in flash and blood
Im not want to feeling sorry, wished that I could turn and run.
When I was young it didnt matter, I miss who I used to be.
But now my confidence is shattered, and theres nothing left to miss.
So here I sit all alone, playing chords I wont remember
When I wake up in the morning, when I try to make it better
But Im too blind, its my fault, guess Im doing something wrong, cause Im alone.
Singing this same sad love song on my own.

On my own.

You dont wanna be with someone who doesnt want to be with you
You dont wanna end the old flames, cause thats the easy thing to do.
They say wait a little longer, Im sure youll find the one.
When everyday its getting harder its easier said than done.
So here I sit all alone, playing chords I wont remember
When I wake up in the morning, when I try to make it better
But Im too blind, its my fault, guess Im doing something wrong, cause Im alone.
Singing this same sad love song on my own.

On my own.

Im on my own, on my own
Singing this same sad love song on my own.
