Bottom To The Top

Joan Armatrading

Know I've been saying
Thee something I have to prove
I keep on going baby
'Cause if I stop now
I'm bound to loseTo the limit here we go
From the bottom to the top
Gonna tell all of my friends
Say I can run on any trackSome move more quickly
You now they can stand the pace
Others move slow
But they get there just the same
I know I want first and not just a place
Keep on pushing babeKnow I've been working
To do what I have to do
Keep on pushing baby
'Cause I know if I get through
It's more for youTo the limit here we go
From the bottom to the top
Gonna tell all of my friends
Say I can run on any trackSome move more quickly
You now they can stand the pace
Others move slow
But they get there just the same
I know I want first and not just a place
Keep on pushing babeTo the limit here we go
From the bottom to the top
Nice and easy do it, nice and easyNice and easy do it, nice and easyKnow I've been working
To do what I have to do
Keep on pushing baby
'Cause I know if I get through
It's more for youTo the limit here we go
From the bottom to the top
Gonna tell all of my friends
Say I can run on any trackSome move more quickly
You now they can stand the pace
Others move slow
But they get there just the same
I know I want first and not just a place
Keep on pushing babeKeep on pushing babe

Keep on pushing babe
Keep on pushing babe
