# Don't Fade On Me

## Tom Petty

I remember you so clearly
The first one through the door
They return to find you drifting
Too far from the shoreI remember feeling this way
You can lose it without knowing
You wake up and you don't notice
Which way the wind is blowingDon't fade
No, no fade on meYou were the one who make things different
You were the one who took me in
You were the one thing, I could come around
Above all, you were my friendSo don't fade
Don't fade on me
Don'tWell your clothes hang on a wire
And the sun is overhead
But today you are too weary
To even leave your bedWas it love that took you under
Or did you know too much?
Was it something you could picture
But never could quite touch?Don't fade
No, don't fade on me
Said don't fade
Ay, don't fade on me
