

Teardrops

Zaab & State of Soul

Teardrops will fall because of you
teardrops will fall for only you.

I want you so

oh

you'll never know how much I need you.

Teardrops will fall if you don't need me

Teardrops will fall

oh

please believe me.

I want you so

oh

you'll never know how much I need you.

As long as there's a moon above

There will be the two of us.

If you and I were meant to be

Tell me you love me and I'll be your only.

Teardrops will fall

Don't run and hide

Teardrops will fall

Stay by my side.

I want you so

oh

You'll never know how much I need you.

As long as there's a moon above

. . .

Teardrops will fall

oh

teardrops will fall.

Oh yeah

teardrops will fall

teardrops will fall.

Tear

tear will fall

teardrops will fall.
