

# What Can I Give

**Mahalia Jackson**

What can I give a baby so fair  
On this holy morn  
What can I give Him  
Lying there on Mary's breast so warm  
What can I give, as poor as I am  
Heavenly holy child  
Was I a shepherd, I'd give him a lamb  
Sweet little Jesus, so mild  
The night is cold, the darkness breaking  
The snow has covered all the earth  
The trumpet sounding  
The angels praying  
Praises to his glorious birth  
What can I give Mary's child  
On this holy morn  
I give my love, that is all I have  
And then I give my heart
