Don't Forget To Remember

Puressence

Oh my heart won't believe that you have left me
I keep tellin' myself that it's true
I can get over anything you want my love
But I can't get myself over you
Don't forget to remember me and the love that used to be
I still remember you, I love you
In my heart lies a memory to tell the stars above
Don't forget to remember me my love
On my wall lies a photograph of you girl
Though I try to forget you somehow
You're the mirror of my soul so take me out of my hole
Let me try to go on livin' right now
Don't forget to remember me and the love that used to be
I still remember you, I love you
In my heart lies a memory to tell the stars above
Don't forget to remember me my love
