

# Intoxicated

## Martin Solveig & GTA

Let's dance  
No time for romance  
Let's Dance  
No time for romance  
(Wooh!)

You've got a bit  
Intoxicated  
You've got a bit  
Intoxicated  
You've got a bit  
Intoxicated  
You've got a bit  
Intoxicated

Let's dance  
No time for romance  
Let's dance (you've got a bit)  
No time for romance (intoxicated)  
(You've got a bit Intoxicated)

Let's dance (you've got a bit)  
No time for romance (intoxicated)  
(You've got a bit intoxicated)

Let's dance  
No time for romance  
Let's dance  
No time for romance  
(Wooh!)

You've got a bit  
Intoxicated  
You've got a bit  
Intoxicated  
You've got a bit  
Intoxicated  
You've got a bit  
Intoxicated
