

# If I Had You

## Alabama

If I had you, we'd run like gypsies in the wind  
We'd be lovers and we'd be friends, if I had you  
If I had you, we'd count the stars all one by one  
We'd make love till they were gone oh, if I had you 'Cause you light a fire way down in my soul  
The flame keeps growin' stronger, 'cause there ain't no control  
And there's nothing, no there's nothing  
No there's nothing that I wouldn't do  
If I had you If I had you, we'd sail the seven seas as one  
We'd never say it can't be done, oh, if I had you 'Cause you light a fire way down in my soul  
The flame keeps growin' stronger there ain't no control  
And there's nothing, oh, there's nothing  
I know there's nothing that I wouldn't do  
If I had you, if I had you
