

Landfill

METZ

I fell into a hole
I fell into a hole
You don't need me
You don't need me
I should be leaving

And I think I'm stuckAlways peeling my feet off the ground
Landfill

We keep crawling aroundThere's no lights on in this house
There's no lights on in this house
You can't see me
You can't see me
I'm just round the bend

And I think I'm stuckAlways peeling my feet off the ground
Landfill

We keep crawling aroundI don't know what I believe in
All this shit keeps piling upAlways peeling my feet off the ground
Landfill

We keep crawling aroundStuck
Stuck
Stuck
StuckLandfill
Landfill
Landfill
