

# You Grow More Beautiful

## No-Man

I don't know what you want from me,  
I don't know what you want me to be.  
In my dreams it's so easy to see,  
in my dreams it's so clear.[chorus:]  
I look for my face in the patterns on the wall,  
I look for my shape in the way the flowers fall.  
I look for my faith in you -  
you grow more beautiful  
as I fade away.I don't know what you want me to say,  
I don't know if you want me to stay.  
in my dreams I find a way -  
in my dreams I seize the day.[chorus]you grow more beautiful...[chorus]I look for my faith in you -  
you grow more beautiful  
as I fade away.I look for my faith in you -  
you grow more beautiful  
as I fade away.
