

Seasons Change

Expose

Some dreams are in the night time
And some seem like yesterday
But leaves turn brown and fade
Ships sail away
You long to say a thousand words
But seasons change It feels like it's forever
No reason for emptiness
But time just runs away
No more day by day
You dream again it seems in vain
When seasons change I want you
I want to feel you by my side
I need you
Don't you know I need you, baby? Seasons change, feelings change
It's been so long since I found you
Yet it seems like yesterday
Seasons change, people change
I'll sacrifice tomorrow
Just to have you here today Forever seems so far away
There's time for love and for play
You dream about today
Feeling slips away
The winds that blow they go away
And seasons change I want you
Don't hide your feelings from inside
I need you
I've got to have your love now, baby Seasons change, feelings change
It's been so long since I found you
Yet it seems like yesterday
Seasons change, people change I want you
I want to feel you by my side
I need you
I've got to have your love now, baby Seasons change, feelings change
It's been so long since I found you
Yet it seems like yesterday
Seasons change, people change
I'll sacrifice tomorrow
Just to have you here today
Just to have you here today Seasons change, feelings change

It's been so long since I found you
Yet it seems like yesterday
Seasons change, people change
Change the season
