Daddy's Gun

Sarah Bettens

Happening for anyone
Understood the damage done
Daddy, it was not my fault
He pushed me and the gun went off

Looked at me and hit the ground
I couldn't hear a single sound
Daddy could you check outside
And tell me he's alright

And soon believe he's gonna change
He'll never be the same
He'll never be the same

I know you told me not to touch
But I wanted to, so very much
Cory played the Indian
And he was not supposed to push it

Daddy, this is not your fault
I'm old enough to know what's wrong
May be I'm not ready
To be having fun with daddy's gun

And soon believe it's gonna change
You'll never be the same
You'll never be the same
Believe it's gonna change
You'll never be the same
You'll never be the same
