

# Whatever, Wherever

## Band of Horses

What in the world would cause you to question that?  
How did I come off?  
Would lead you to ask Can I help you along?  
Sun in the room  
Curtains too soon  
The day is coming closer  
The dream slipping through me will fade  
Inching slowly from slumber[Chorus]  
And I love you a lot  
Whatever you want  
Wherever you are (Wherever you are)  
Wherever you are  
Wherever you are[Verse 2]  
Wherever you roam  
Let me tell you babe  
Not every moment matters  
Across marked jots laid down  
Look you're growing faster and faster  
Heights that I held you up  
Times when I couldn't be at home[Chorus]  
And I owe you a lot  
Whatever you want  
Wherever you are (Wherever you are)  
Wherever you are  
Wherever you are[Bridge]  
Wherever you are[Chorus]  
Wherever you are  
Wherever you are  
Wherever you are  
Wherever you are  
Wherever you are[Chorus]  
Times when I couldn't be enough  
Wherever you are  
Wherever you are  
Wherever you are  
Wherever you are
