

Round Here (feat. YG)

Lil Xan

Know you not from round here
Ayy, yeah
Know you not from round here
Yeah, ayy, ayy
They know you not from round here
Yeah, yeah
Know you not from round here
Yeah, ayy
Know you not, know you not
Yeah
I be speedin' in the Benz
Yeah, never cheated on a test
Yeah, pull up in a fuckin' Tes'
Yeah, Jesus piece around my neck
Yeah, make you bleed out your neck
Make you bleed out your neck
Yeah, enemies turn to friends
Yeah, enemies turn to friends Know you not from round here
Naw, yeah
Know you not from round here
Yeah
They know you not from round here
Yeah
I said they know you not from round here
Yeah, yeah
Who the fuck you think you is?
Who the fuck you think you is?
Yeah, I ain't never heard your name
No, they ain't never heard your name
You is lame, you is lame
Yeah, you is lame, you is lame
You ain't goin' nowhere, ayy
You should just end the game Know you not from round here
Ayy, yeah
Know you not from round here
Yeah, ayy, ayy
They know you not from round here
Ayy, ayy
Know you not from round here

Know you not, know you not
Know you not from round here
Ayy, yeah
Know you not from round here
Yeah, ayy, ayy
They know you not from round here
Ayy, ayy
Know you not from round here
Know you not, know you not Know your aim, know your aim
Pull up on your block and know you can
You ain't a real nigga, you fake
Them black shells make you say, "Ayy"
Ayy, ayy, ayy, ayy
Ayy, ayy, ayy, ayy, ayy
Ayy, niggas bustin', get the Wraith
Spray, spray, spray, spray
You don't know about the come up, stop
Popo don't want you though, mmm
The enemies don't know you though, mmm
The neighborhood rat, you ain't fuckin' though, mmm
You ain't pop no gun, you cynical, mmm
You ain't violate one pinnacle, mmm
You ain't never hit a lick with the gang, bro, mmm
You ain't never did shit for the game, bro
You can't hang on that thang
We don't know you but you claim
That's a shame, that's just strange
Hoes, you imposter, ayy
All real ones on the roster, ayy
Shout out all the real shooters, ayy
Slide up on a fake nigga with the K
Real niggas take a fake nigga away
That's a shame, that's just strange
Hoes, you imposter, ayy
Slide up on a fake nigga with the K
Real niggas take a fake nigga away Lord please, heavenly Father
Protect me from all fake ass motherfuckers
Your name
Pray, Amen Know you not from round here
Ayy, yeah
Know you not from round here
Ayy, ayy
They know you not from round here
Ayy, ayy
Know you not from round here

Know you not, know you not
Know you not from round here

Ayy, yeah

Know you not from round here

Ayy, ayy

They know you not from round here

Ayy, ayy

Know you not from round here

Know you not, know you not
