You Can Depend On Me

Jimmy Rushing, Count Basie and his Orchestra

Just as long as that old river flows
The sun comes up and that north wind blows
Just as sure as these are guaranteed
Honey, you can depend on me
This day and time, lovers come and go
When it seems, there?s no one left to hold
For so many, when the morning comes around
But girl, you can bet, this ol? boy can?t be found
Just as long as that old river flows
The sun comes up and that north wind blows
Just as sure as these are guaranteed
Honey, you can depend on me
Together, never to part
Forever, you can bet your heart

Just as long as that old river flows
The sun comes up and that north wind blows
Just as sure as these are guaranteed
Honey, you can depend on me
Oh, together, never to part
Forever, you can bet your heart
Just as long as that old river flows
The sun comes up and that north wind blows
Just as sure as these are guaranteed
Honey, you can depend on me
Together and forever in sweet harmony
You can depend on me
