

# You Can Depend On Me

**Jimmy Rushing, Count Basie and his Orchestra**

Just as long as that old river flows  
The sun comes up and that north wind blows  
Just as sure as these are guaranteed  
Honey, you can depend on me  
This day and time, lovers come and go  
When it seems, there's no one left to hold  
For so many, when the morning comes around  
But girl, you can bet, this ol' boy can't be found

Just as long as that old river flows  
The sun comes up and that north wind blows  
Just as sure as these are guaranteed  
Honey, you can depend on me  
Together, never to part  
Forever, you can bet your heart

Just as long as that old river flows  
The sun comes up and that north wind blows  
Just as sure as these are guaranteed  
Honey, you can depend on me  
Oh, together, never to part  
Forever, you can bet your heart  
Just as long as that old river flows  
The sun comes up and that north wind blows  
Just as sure as these are guaranteed  
Honey, you can depend on me  
Together and forever in sweet harmony  
You can depend on me
