

# Bombastic Love

[Britney Spears](#)

I am here to testify  
That you're the only one I belong to  
I don't know where to start  
It turned into an art  
Not to show the world that it was you  
Who made me realize not to compromise  
The fact that you and I should need  
Know we're gonna get, gonna get getBombastic Love  
So fantastic  
Where I'm completley yours and you are mine  
And It's gonna be exactly like in a movie  
When we fall in love for the first timeDon't know why I feel so insecure  
I never understood what it stood for  
I gotta make sure that blidness won't stop me again  
I can't sit and wait anymore  
You made me realize not to compromise  
The fact that you and I should need  
I know were gonna getBombastic Love  
So fantastic  
Where I'm completley yours and you are mine  
And It's gonna be exactly like in a movie  
When we fall in love for the first timeIt's gonna be bombastic love  
Everything is gonna be alright  
When I'm yours and you are mine  
It's gonna be fantastic love  
When I wake up everything is still the same  
And you don't even know my nameBombastic Love  
So fantastic  
Where I'm completley yours and you are mine  
And It's gonna be exactly like in a movie  
When we fall in love for the first timeI know we're gonna getBombastic Love  
So fantastic  
Where I'm completley yours and you are mine  
And It's gonna be exactly like in a movie  
When we fall in love for the first time
