All Sleepers

Circlesquare

Hey!
All you useless sleepers
Put your head into the speaker

Hey!
Well, you can tell
Letâ€™s take the fall alone

Hey!
All you in the bleachers
Help us cheer for all the weepers

Hey!
Hey, what a day
Where have the past three gone?

Hey!
Shout â€˜These drugs are weakerâ€™
Smash their heads right through the speaker

Hey!
Dreams of other scenes
Itâ€™s always somewhere else

Hey!
â€˜One Fine Dayâ€™ believers
Letâ€™s romanticize it bleaker

Hey!
So, donâ€™t you know?
That way itâ€™s not our fault

Hey!
All you in control
Do you even believe in
Rock and roll?

Oh well, thatâ€™s what theyâ€™ll tell
So letâ€™s take the fall alone

Tell yer ma
Itâ€™s insomnia
Weâ€™ll come home
When itâ€™s daylight
