Make It Mine

Styrofoam

Wake up everyone
How can you sleep at a time like this
Unless the dreamer is the real youListen to your voice
The one that tells you
To taste past the tip of your tongue
Leap in, the net will appearI don't wanna wake before
The dream is over
I'm gonna make it mine
Yes I, I know itI'm gonna make it mine
Yes I'll make it all mineI keep my life on a heavy rotation
Requesting that it's lifting you up, up, up and away
And over to a table at the Gratitude CafeAnd I am finally there
And all the angels they'll be singing
Ah la la la, ah la la la
I la la la la love youI don't wanna break before
The tour is over
I'm gonna make it mine
Yes I, I'll own itI'm gonna make it mine
Yes I'll make it all mineAnd timing's everything
And this time there's plenty
I am balancing
Careful and steady
And reveling in energy that everyone's emittingWell I don't wanna wait no more
Oh I wanna celebrate the whole world
I'm gonna make it mine
Oh yes I'm following your joyI'm gonna make it mine
Because I, I am open
I'm gonna make it mine
That's why, I will show itI'm gonna make it mine
Gonna make it mine
Oh mine
Yes I'll make it all mine
