

# Make It Mine

## Styrofoam

Wake up everyone  
How can you sleep at a time like this  
Unless the dreamer is the real youListen to your voice  
The one that tells you  
To taste past the tip of your tongue  
Leap in, the net will appearI don't wanna wake before  
The dream is over  
I'm gonna make it mine  
Yes I, I know itI'm gonna make it mine  
Yes I'll make it all mineI keep my life on a heavy rotation  
Requesting that it's lifting you up, up, up and away  
And over to a table at the Gratitude CafeAnd I am finally there  
And all the angels they'll be singing  
Ah la la la, ah la la la  
I la la la la love youI don't wanna break before  
The tour is over  
I'm gonna make it mine  
Yes I, I'll own itI'm gonna make it mine  
Yes I'll make it all mineAnd timing's everything  
And this time there's plenty  
I am balancing  
Careful and steady  
And reveling in energy that everyone's emittingWell I don't wanna wait no more  
Oh I wanna celebrate the whole world  
I'm gonna make it mine  
Oh yes I'm following your joyI'm gonna make it mine  
Because I, I am open  
I'm gonna make it mine  
That's why, I will show itI'm gonna make it mine  
Gonna make it mine  
Oh mine  
Yes I'll make it all mine
