

Got to Love Somebody

Sister Sledge

Advisory - the following lyrics contain explicit language:

I've got to love somebody today
I've got to love somebody
I've got to love somebody today
I've got to love somebody soon Tired of movies all by myself
I'm sure, you folks know what I mean
My time has come and I need someone
To share my popcorns and jellybeans Looked in the mirror, it all got clearer
I won't let my life pass me by
Stop feelin' sorry for myself
Fish are biting, I'll throw out my line I've got to love somebody today
I've got to love somebody
I've got to love somebody today
I've got to love somebody soon Must be careful and watch my step
I hope the shock is very mild
I'll change my hair and change my style
Watch out, I might just go wild I got to get out and live
And show the world how much I can give
I'm gonna do it all by myself
I'll make a love you can't put on a shelf I've got to love somebody today
I've got to love somebody
I've got to love somebody today
I've got to love somebody soon I've got to love somebody today
I've got to love somebody
I've got to love somebody today
I've got to love somebody soon I've got to love somebody today
I've got to love somebody
I've got to love somebody today
I've got to love somebody soon I've got to love somebody today
I've got to love somebody
I've got to love somebody today
I've got to love somebody soon
