Believe

Jordan Knight

Whoa, whoa, oh, whoaBaby, how can you win
If you give up on love?
For every tear that you cry
I'll sacrifice enoughJust try it again, let me in
Just follow me from here
Open your heart
I can turn it aroundWhere will you go
If in your heart you forget how to find love?
You'll never know if you don't give it a chance
You gotta prove your faithOoh, you're stuck and you know it, know it
Oh, girl, you're stuck and you know it, know it
You're stuck and you know it, know it
If you don't believeI don't understand
Why should I take his name
Tell me how can I help
If you don't pass this blame?Why do you pretend, you don't feel
How I feel inside?
When I see the truth
Every time in your eyesWhere will you go
If in your heart you forget how to find love?
You'll never know if you don't give it a chance
You gotta prove your faithBaby, you're stuck and you know it, know it
Baby, you're stuck and you know it, know it
You're stuck and you know it, know it
If you don't, if you don't just believeJust say you believe in me
Just like I believe in you
Baby, don't be afraid, be afraid of loveTell me where will you go
If in your heart you forget how to find love?
You'll never know if you don't give it a chance
You gotta prove your faithI can see that you're stuck and you know it, know it
Really could see that you're stuck and you know it, know it
You don't have to be, have to be stuck and you know it, know it
If you just believe, please don't give up on love
