

# I'm Gonna Move to the Outskirts of Town

Louis Jordan

I'm gonna move, baby  
Way out on the outskirts of town  
Yeah, I'm gonna move, yeah, baby  
Way out on the outskirts of town

Yeah, I don't want nobody  
Always hangin' around  
And that means you, yeah

I'm gonna tell you, baby  
We gonna move away from here, yeah  
I don't want no iceman, I'm gonna freeze him  
I'm-a buy me a Frigidaire

When we move, yeah baby  
Way out on the outskirts of town  
I don't want nobody, yeah baby  
All, always hangin' around

I'm gonna bring my own groceries, baby  
Yeah, I'm gonna bring them everyday  
That'll keep that grocery man, I don't like him anyhow  
I'm gonna keep him away, yeah

When we move, babe, way on the outskirts of town  
Yeah, I don't want nobody, baby  
Always, always hangin' around

It may seem funny, honey, baby  
Funny as can be, lord  
But if you're having them come crushing lord  
I want 'em all look like me

Yeah, when we move, yeah baby, way out on the outskirts of town  
Yeah, I don't want nobody, lord  
All, always hangin' around
