

Anythang

Devin the Dude

Anythang is plenty man and is better than an' nothin' at all
Anythang is plenty man
Anythang is plenty man and is better than an' nothin' at all
Anythang is plenty man You ain't the only one who got problems
You ain't the only one who knows pain
Get up off your ass and just solve it
You still got a chance to try to change, try this shit again Anythang is plenty man and is better than an' nothin' at
all
Anythang is plenty man
Anythang is plenty man and is better than an' nothin' at all
Anythang is plenty man Really ain't no need for self pity
Cryin' when there's no one else around
Life I know sometimes can get shitty
Even shittier when sleepin' on the ground, no need to complain Anythang is plenty man and is better than an'
nothin' at all
Anythang is plenty man
Anythang is plenty man and is better than an' nothin' at all
Anythang is plenty man Anythang is plenty man and is better than an' nothin' at all
Anythang is plenty man
Anythang is plenty man and is better than an' nothin' at all
Anythang is plenty man You ain't the only one who got problems
You ain't the only one who knows pain
Get up off your ass and just solve it
You still got a chance to try to change, try this shit again Really ain't no need for self pity
Cryin' when there's no one else around
Life I know sometimes can get shitty
Even shittier when sleepin' on the ground, no need to complain Anythang is plenty man and is better than an'
nothin' at all
Anythang is plenty man
Anythang is plenty man and is better than an' nothin' at all
Anythang is plenty man Nothin' at all, nothin' at all, anythang is plenty man
I hope you realize that everybody gonna need somebody sometime
Anythang is plenty man and is better than an' nothin' at all
Anythang is plenty man
